

**From:** [Gayoso, Jose](#)  
**To:** [Motilall, Christina](#)  
**Subject:** Canceled: Spanish labeling weekly planning  
**Importance:** High

---

Let's cancel this meeting today. I will use the time to work on the presentation for the DD's. I'll let you know when the draft is ready so you can provide input.

Its practically crunch time, so I'm putting a short recurring meeting on our calendars to so we can coordinate tasks needed to get the pilot started by the end of September. We can also use this time to invite other team members as needed.
